

## Environmental Policy Statement

---

Pests Birds and Bugs Limited is committed to leading the industry in minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- To minimise the use of pesticides and insecticides in our activities.
- Minimise toxic emissions through regular servicing of vehicles and minimising mileage where possible.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Reuse pesticides wherever possible to avoid waste.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet or exceed all the environmental legislation that relates to the Company.
